

APARTMENT STYLES

Each apartment home at Glen Lennox has beautiful white oak hardwood floors throughout, white blinds on the windows and front door mail delivery. Curbside garbage and recycling pickup add to the convenience of living at Glen Lennox. Central air conditioning and gas heat add to the comfort of your lifestyle. Every apartment home has a front and back door with access to the community back yard and pine straw areas—perfect for planting a small garden.

Traditional Style

Our traditional style apartment started the superior Glen Lennox tradition in Chapel Hill over 50 years ago. This apartment comes with the original 1950s cabinets and countertops, a stove and oven, a refrigerator and a large pantry. The large floor plan additionally comes with washer/dryer connections.

Mini-Renovated Style

These are traditional apartments that will include a washer/dryer and dishwasher in both the large and small floor plan.

Renovated Style

Our renovated style apartments give you the extra conveniences for a busy lifestyle while maintaining the quaint charms of cottage living. This apartment comes with a dishwasher, stove and oven, oak cabinets, a microwave, refrigerator, garbage disposal, and washer/dryer hook-ups in both the large and small floor plans.

Deluxe Style

Our deluxe style apartment offers the best of all modern conveniences. This apartment comes with all new cabinets and countertops, a garbage disposal, dishwasher and microwave. This apartment also comes with a stove, oven, refrigerator with icemaker, and a stackable washer/dryer. There is track lighting in the living room and a half-wall separating the kitchen and living room with a bar area for added light and space.
